Advisory Connect (Pty) Ltd — Last Updated: 27 April 2026

1. Who We Are

Advisory Connect (Pty) Ltd ("Advisory Connect", "we", "us") operates the platform at **advisoryconnect.pro**, a digital marketplace connecting financial advisors with prospective clients in South Africa.

POPIA Information Officer: The Director, Advisory Connect (Pty) Ltd
— support@advisoryconnect.pro

2. What Data We Collect

From prospective clients (form submissions): Name, email address, phone number, age, industry, income bracket, and any details voluntarily provided in callback requests, referral forms, or Will enquiry forms.

From advisors: Name, professional title, FAIS registration details, profile photo, biography, contact information, and service preferences.

Device & usage data: Browser type, approximate location (country/city), pages visited, and interaction timestamps — collected to improve platform performance.

3. How We Use Your Data

- Route referral and callback submissions to the relevant financial advisor
- Enable advisors to manage and respond to leads via their control panel
- Send transactional emails (via SendGrid) confirming form submissions
- Maintain platform security and prevent abuse
- Comply with legal obligations under POPIA and applicable South African law

4. The 90-Day Lead Protection Commitment

Advisory Connect operates a master control panel through which all referral, callback, and enquiry submissions flow before being assigned to the relevant advisor's inbox.

Our commitment to advisors and their clients: Advisory Connect (Pty) Ltd, its directors, and staff will not directly contact, solicit, use, or act upon any lead, referral, or client enquiry submitted through the platform unless a period of **90 days (three months)** has elapsed from the original submission timestamp without the assigned advisor having responded or engaged with the lead.

This 90-day timestamp is permanently recorded against every submission in the platform and is auditable. The purpose of this commitment is to ensure that advisors can confidently

share client referrals through Advisory Connect without risk of those referrals being redirected or used by the platform operator.

After 90 days of advisor non-response, Advisory Connect reserves the right to re-assign or follow up on the lead solely to ensure the prospective client receives appropriate assistance.

5. Data Sharing

We do **not** sell personal data. We share data only with:

- **SendGrid (Twilio)** — email delivery of form confirmation messages. Subject to Twilio's privacy policy.
- **Neon (PostgreSQL hosting)** — your data is stored on Neon's cloud database servers, which are located in the United States. Appropriate data processing agreements are in place.
- **Google (reCAPTCHA)** — form submissions are protected by Google reCAPTCHA. Google may process limited interaction data to detect automated abuse.
- **Google Fonts** — fonts are loaded from Google's servers, which may log your IP address.
- Regulatory authorities or law enforcement where required by South African law.

6. Cross-Border Data Transfers

Our database is hosted by Neon Inc. (USA). By using Advisory Connect, you consent to your personal data being transferred to and processed in the United States. We have ensured that appropriate safeguards are in place consistent with POPIA's requirements for cross-border transfers.

7. Data Retention

Lead and referral submissions are retained for a minimum of 12 months to allow advisors sufficient time to manage their pipeline. Advisor profile data is retained for the duration of the subscription and deleted within 30 days of account termination upon request. Device/usage logs are retained for a maximum of 90 days.

8. Your Rights (POPIA)

Under the Protection of Personal Information Act (POPIA), you have the right to:

- Access the personal information we hold about you
- Request correction of inaccurate data
- Request deletion of your data
- Withdraw consent at any time

- Lodge a complaint with the Information Regulator of South Africa

To exercise any of these rights, email support@advisoryconnect.pro with the subject line "Data Request".

9. Account & Data Deletion

Advisors may request full account deletion at any time by emailing support@advisoryconnect.pro with the subject line "Delete My Account". We will permanently delete your profile, settings, and associated lead data within 14 business days. Some data may be retained where required by law.

10. Security

We protect your data using HTTPS encryption in transit, secure session management with HttpOnly cookies, hashed passwords, reCAPTCHA on all public forms, and regular dependency security audits. We implement reasonable safeguards but cannot guarantee absolute security.

11. Children

Advisory Connect is intended for use by adults aged 18 and over. We do not knowingly collect data from minors.

12. Google Play Compliance

Advisory Connect complies with Google Play's User Data Policy, including transparent disclosure of data collection, limited use of personal data, and secure handling of user information. Device permissions requested by the app are limited to those necessary for core functionality.

13. Changes to This Policy

We may update this policy from time to time. Material changes will be communicated via email to registered advisors. Continued use of the platform after changes constitutes acceptance.
